# Tick Tock ELC

[www.ticktockelc.org](http://www.ticktockelc.org)

---

Happy November! We are moving right into the Holidays and colder weather. We have a lot of fun and educational activities planned for your children. Continue to check the parent information board for important reminders about upcoming events.

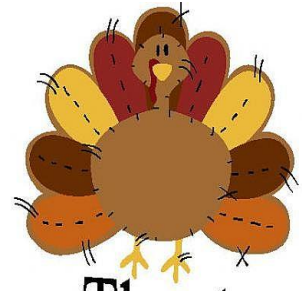

New to Tick Tock: In addition to Miss Guinevere, we will be welcoming Ms. Cathy who will be teaching creative movement twice a month and Ms. Carol who will be expanding our music program to include instruments! Both of these programs will be on Thursdays.

Picture Day is on November 20<sup>th</sup>. A memo went out to all families. We have some new options this year that we think all parents will like. Please see Ms. Liz or Ms. Maricela with any questions about how the day will run.

Thank you,

Karen
